

HOME SCHOOL PARTNERSHIP PROGRAM

ELEMENTARY

An Extracurricular Partnership with Home Schooling Families

Westminster Christian School affirms the primary and God-given responsibility of parents to train up a child in the nurture and wisdom of the Lord. As a school, we are pleased to support families who home school their children. Westminster's Home School Partnership Program is intended to support home schooling parents by providing a variety of outstanding opportunities for students interested in extracurricular options currently outside of their home schooling experience. If participation space is limited, please note that priority consideration will be given to full time Westminster students.

New home school partnership students must complete a *Home School Partnership - Activities & Athletic Teams Application* (found on the Admissions/Home School Partnership Program page of our website) and submit the annual registration fee at the time of application.

Home School Partnership Registration Fee: \$75/student

Once registered, elementary students in grades 3 and 4 may choose to participate in one or multiple opportunities listed below.
