

HOME SCHOOL PARTNERSHIP PROGRAM

MIDDLE SCHOOL

A Curricular and Extracurricular Partnership with Home Schooling Families

Westminster Christian School affirms the primary and God-given responsibility of parents to train up a child in the nurture and wisdom of the Lord. As a school, we are pleased to support families who home school their children. Westminster's Home School Partnership Program is intended to support home schooling parents by providing a variety of outstanding opportunities for students interested in curricular or extracurricular options currently outside of their home schooling experience. If participation space is limited, please note that priority consideration will be given to full time Westminster students.

Home school partners who are enrolling in an academic class should complete a student application. If you are only participating in extracurricular activities, you should complete a *Home School Partnership - Activities & Athletic Teams Application*. Both of these applications can be found on our website on the Admissions/Home School Partnership Program page. You must also submit the annual registration fee at the time of application.

Home School Partnership Registration: \$150/student

Once registered, middle school students in grades 5-8 may choose to participate in one or multiple opportunities listed below.
