

HOME SCHOOL PARTNERSHIP PROGRAM

HIGH SCHOOL

A Curricular and Extracurricular Partnership with Home Schooling Families

Westminster Christian School partners with home school families through our Home School Partnership (HSP) Program. HSP is intended to support home schooling parents by providing a variety of outstanding opportunities for students interested in curricular or extracurricular options outside of their home-schooling experience. Academic partnerships are available for students in grades 5-12, and extracurricular opportunities are available for students in grades 3-12.

Application requirements are as follows if you are participating in academics, athletics, or fine arts:

Academics - [Admissions Application](#)

Athletics - [Admissions Application](#)

Fine Arts (only) - [Home School Partnership - Activities Application](#)

These applications can be found on our website on the [Admissions](#) page.

**You will submit an Application Fee or HSP Registration Fee
of \$100/student at the time of application.**

Once registered, high school students may choose to participate in one or multiple opportunities.

ACADEMICS

From the sciences to the arts, Westminster offers a full and complete array of classes one would expect in a college-preparatory school. Home school students are invited to take up to four (4) classes during the school day along with our full-day students.

Tuition: \$900/class per semester

(Please note that textbook, lab, technology, and other fees may apply.)

ATHLETICS

Westminster is a full member of the IHSA (Illinois High School Association) and, therefore, competes for state championships in multiple sports. The IHSA requires that home school students be enrolled at the school with whom they will participate and take at least one class at that school. Additionally, students must be taking five approved classes, whether at Westminster or through the home school curriculum, and provide an approved curriculum to Westminster that meets the Illinois Department of Education requirements.

These students are to complete the [Admissions Application](#).

High School Athletic Options

Boys Baseball
Boys & Girls Basketball
Boys & Girls Soccer
Girls Volleyball

Football is also available as a club team through Fellowship of Christian Athletes (FCA). This is not an IHSA sanctioned sport and you do not need to take a class at Westminster Christian School. You can register through the [FCA website](#).

In addition to our full schedule of classes, we are offering a trimester class to our HSP students, which aligns with our sports calendar. This *Personal Fitness* class will be the last period of the day and meet four days a week (M/T/TH/F).

Personal Fitness - Course Description

This course will focus on educating students as to the importance of lifetime physical fitness through nutrition, aerobic exercise, flexibility training, and strength training. Emphasis will be placed on the assessment and maintenance of physical fitness to improve health and performance with a personal fitness plan.

Tuition: \$600/trimester

FINE ARTS

Westminster offers performing arts to our HSP students, through theater productions and jazz band. If you are participating only in fine arts activities, you are not required to take a class or get approval of your home school curriculum.

These students are to complete the annual [Home School Partnership - Activities Application](#).

Fine Arts Activity Fees - \$300/Activity

All School Musical
High School Play
Jazz Band

Registration and activity fees are due prior to participating in any activities.
