### MS/HS Resource Intervention Support Teacher

Part Time MS/HS Resource Intervention Support Teaching Position: [Online Application](#)

Westminster Christian School exists to provide an environment where students encounter the love of Christ, experience transformation, and are driven toward excellence. Westminster aims to educate the whole child; preparing each child academically, spiritually, socially, emotionally and physically in order to live for God's glory and serve his kingdom. As such, a Westminster teacher will maintain the Biblical standards of high character, while excellently educating students based on current best practices. A Westminster teacher submits to Scripture as their authority in faith and in life in order to set an example for students. A Westminster teacher will seek opportunities to meet and care for students that go above and beyond the normal call of a teacher. A Westminster teacher will partner with parents in the education and discipleship of their son or daughter. In all, a Westminster teacher will work to the school's end of providing a loving, transformational and excellent environment for students to learn and grow.

The candidate will serve middle and high school students in the Westminster Resource program. Additionally, candidate will serve students and families in the following ways:

- Supports assigned resource students in providing extra instruction, organizing homework and project loads, and checking student progress reports daily.
- Executes accommodation plan supports from modifications to accommodations.
- Assists resource students with tests and quizzes as necessary.
- Coordinates with teachers and other resource team members in serving students.
- Collaborates with Resource Coordinator, program principals and teachers in coordinating support schedules for assigned resource students.
- Manages parent relationships and communications for assigned resource students.
- Assists in the development, maintenance, and distribution of individual student accommodation plans.
- Tracks student contacts on a daily timesheet.
